

Holland Ridge

The Holland Ridge Development is an upscale community located in West Freehold. It is near both Centra State Hospital and the Freehold Raceway Mall. It's location is about as far West as you can go in Freehold before you enter Jackson Township. The homes are stately Colonials situated on oversized lots with public utilities. They were built in the mid 1990s and offer two story foyers, open floor plans and generously sized bedrooms. They are less than 60 homes in the community. The neighborhood runs their own committee which is referred to as the Holland Ridge Beautification Committee. This Committee keeps the hood in "tip-top" shape as referred to in their newsletter. They ensure the entrance to the community is pristine and represents a well-maintained and cared-for community. The committee also coordinates holiday events throughout the year, providing neighborhood traditions for families. For example, Holiday dinners and labor day block parties. They strive and commit to making the Holland Ridge community the best neighborhood in Freehold!
