

Whittier Oaks

The homes in Valley Estates offer luxury single-family living, with expansive floor plans often reaching up to 7,000 square feet and typically featuring five bedrooms, five bathrooms, and multiple well-appointed living spaces designed for both comfort and entertaining, and are set on larger, more private lots within one of Marlboro's more upscale settings. These homes are known for their high-end finishes, including hardwood flooring, stone countertops, chef's kitchens, and formal dining areas, along with features such as multiple primary suites, finished basements, and resort-style outdoor spaces with inground pools and entertainment areas. The combination of size, layout, and luxury details creates a true estate-style feel that appeals to buyers looking for both space and a higher-end lifestyle.

Located just off Pleasant Valley Road in Marlboro Township, Valley Estates offers convenient access to Route 9 and surrounding commuting routes, while also being within proximity to parks such as Cheesequake State Park, Holmdel Park, and Tatum Park. Residents are also within a short drive to the Jersey Shore, shopping centers, and options, making it an ideal location for both everyday living and weekend recreation. If you live in Valley Estates, your children will attend Marlboro Township public schools, including Frank Defino Elementary School, Marlboro Memorial Middle School, and Marlboro High School, part of the highly regarded Freehold Regional High School.
